What are you wearing, what are you wearing.

What are you wearing today, today.

What are you wearing, what are you wearing,

What are you wearing today.

If you're wearing red then stand up

And if you're wearing red. Then touch your head.

And if you're wearing red, then turn around.

And if you're wearing red, then sit back down.

What are you wearing...

If you're wearing yellow, then stand up

And if you're wearing yellow, then shake like a bowl of joy.

And if you're wearing yellow, then turn around.

And if you're wearing yellow, then sit back down.

What are you wearing...

If you're wearing green, then stand up

And if you're wearing green, then move like Avashi

Like a robot

And if you're wearing green, then turn around.

And if you're wearing green, then sit back down.

What are you wearing...

If you're wearing blue, then stand up

And if you're wearing blue, then touch your shoes

And if wearing wearing blue, then turn around.

And if you're wearing blue, then sit back down

What are you wearing....

If you're wearing white, then stand up

And if you're wearing white, wave your arms like a bird in flight

And if you're wearing white, then turn around.

And if you're wearing white, then sit back down

What are you wearing..

**If you're wearing clothes, then stand up**

**And if you're wearing clothes, then touch your nose**

**And if you're wearing clothes, then turn around.**  
**And if you're wearing clothes, then sit back down**

What are you wearing.....
